### **Mindgrub Makes Baltimore Business Journal's Top Web Design Firms List**

Baltimore, MD – For the third year in a row, Mindgrub has been recognized by the Baltimore Business Journal's annual Book of Lists. This year, Mindgrub was ranked as one of the top web design firms in Baltimore.

Growth has been an ongoing theme for Mindgrub. Since 2002, Mindgrub has grown into an innovation powerhouse with over \$3.5 million in annual revenue in 2013 and a projected revenue of over \$5 million in 2014. Mindgrub is tapped by leading companies and organizations to bring ideas into the mobile, social and web space.

"We are excited to be on this year's list," Todd Marks CEO and founder of Mindgrub shared. "Web design was our bread and butter when we first started, but since then we have diversified our services into mobile apps, mobile games, wearable apps and user experience design," stated Marks. "It's great to know that even with that kind of variety in our services, we are still considered one of the top web design firms in Baltimore."

#### **About the Baltimore Business Journal**

The Baltimore Business Journal is a premier hub for information pertaining jobs, events, advice and business news for the people that live in the Greater Baltimore region. In addition, The Baltimore Business Journal provides daily updates of breaking business news across 17 different industries.
